

Autodesk 3ds Max Design 2010 for Design Visualization

Course Details

Course Duration: 3 days
Award: 3ds Max Design 2010 Essentials
Course Fee: € 795 per person

Courseware Description

This courseware provides a fundamental understanding of utilizing 3ds Max Design for Design Visualization. Although this courseware is designed for instructor-led courses, you can also use it for self-paced learning. The courseware encourages self-learning through the use of the Autodesk® 3ds Max™ 2010 Help system.

Hands-on exercises throughout the courseware demonstrate the modeling process using techniques that can be applied to the mainstream drafting industries.

Objectives

The four primary objectives of this courseware are to teach students how to:

- Understand the basic functionality, features and principles behind 3ds Max Design.
- Create and manipulate 3D data in 3ds Max Design
- Embellish scenes with the use of materials and maps. viewing
- Create adequate lighting for your environments.
- Import data from other 3D applications.
- Render still pictures and animations to disk for later
- Animate objects in the scene.

Who Should Attend

This courseware is designed for new users of Autodesk 3ds Max.

Prerequisites

This course is designed for beginner users who want to learn about 3D environments and want to use 3ds Max Design for Design Visualization purposes. It is recommended that you have: Have a working knowledge of a CAD application such as AutoCAD or Autodesk Revit.

Course Outline

- User Interface
- Modifying Objects
- Transforming Objects
- Animation Basics
- Cameras
- File I/O
- Lights
- Getting Started
- 3D Geometry Modeling
- Modeling from Splines
- Materials
- Using Maps
- Rendering

Why choose Amicus Technology Training?

- We are the West of Ireland's only authorized Autodesk training and exam centre
- Maximum 6 trainees per class
- Follow-on telephone support available
- We provide a range of courses to facilitate the candidate moving from an introductory level to advanced AutoCAD or specialist areas e.g. Architecture, Civil Engineering.
- We are constantly updating our courses to enable the candidate to avail of the latest software
- The West of Ireland's only AEC & Civil Engineering authorized Autodesk reseller
- We are an authorized City & Guilds training and exam centre
